

RCLRC NEWS

Greetings Fellow Club Members:

We are having our annual picnic. The date is

Sunday, 2 September

with the cooking starting at 08:00 and the eating starting at 11:00.

Setup day is Saturday, 1 September starting at 0800.

Dave "Gunny" Fromel is the setup boss and there will be PLENTY of Work Hours available.

Volunteers please, we are in need of workers!

I will also need "scramblers", who are designated people who run around and pick up all the food type items we will consume.

Takedown day is Monday, 3 September beginning at 0900. Again, Gunny Fromel is the boss.

There will be a sign in sheet for all workers each day.

See more info on Pg 2.

Protect Our Future

The reconstruction of our ranges is a time of promise and peril for us all. Our ranges should be greatly improved, but the chance of a negative incident is much greater during reconstruction. Don't risk our range's future. Be extra safe in everything you do at the range.

Picnic

Watch the FACEBOOK page and the WEBSITE for the lists of workers needed, days and times.

I'm hoping we can get 500 members out for the food and to see your new range. Something tells me the weather may have created a completion date that must be very flexible, but hey, at least we'll have a pretty good idea by then. Stop out for the food and fellowship, see what has been completed and learn of any completion efforts current and underway on that day.

Our menu is going to be simpler this year, Hotdogs, Burgers, Brats and Italians, and all the usual items that go with them.

And it's all free to members and their family.

Please remember there will be no shooting on Picnic Day, and no shooting during set up and take down.

If you bring a "service animal" remember that the animal must be accompanied by it's service animal documentation and wearing a vest that identifies it as a service animal. No pets.

Also, in accordance with Wisconsin State Statutes, if you carry, you cannot consume any adult beverages. No show and tell of firearms please.

Stop on out. Feed the family, look around, and even stay a while. It'll be fun.

If you have questions/comments, call me, "Dave, the picnic guy" at 262-880-6864 or email dave@dhoman.net
