By the completion of this application and the signature hereon, the applicant warrants that he/she is legally permitted to own and possess firearms.

Applicant shall provide a photo ID at the time of presentation to the Board for the acceptance vote.

Signature _____ Date _____

Applicants are required by Resolution of the Executive Board adopted 8/19/1971; to be presented to the Board by the sponsoring member (no "surrogate or associate sponsors" accepted) at the meeting designated by the Board. On completion of this form, submit it to: RCLRC c/o Membership P.O. Box 44200 Racine, WI 53404 or email to: membershiprclrc@yahoo.com . The applicant's membership request will be considered at the next Board meeting, or as directed by the Board.

Sponsor's Obligations: (Hereafter "the Club" refers to Racine County Line Rifle Club). The sponsoring member shall explain, in detail, all requirements and obligations of club membership to the applicant, using the check list which follows. Place a "check mark" in each box, signifying the applicant has been fully briefed on their obligations. Retain a copy for the applicant and sponsor if desired.

- Dues: Due and Payable prior to March 1st each year.
- Work hours: No less than 33 1/3 per year while an Associate member. A Full 10 hours is mandated at the Deer sight while an Associate, and he/she shall not be excused from the full 10 hours if the 100th hour comes mid-day.
- The Bylaws and safety regulations have been explained in detail, "cover to cover". This is to include target types, target heights, impact areas, etc. No posting of targets on carrier "uprights" or number boards. .
- No glass targets of any kind are allowed (including Tile-type materials). Immediate dismissal is guaranteed.
- No driving or parking on the berms, ranges, or firing lines (exception: work parties, under specific direction by the club).
- No ATVs, UTVs, go carts, etc are permitted on the grounds (exception: ATVs for work parties, when permitted).
- Come before the Board if difficulties in work hour attainment are anticipated- do not wait until "after the fact".
- Range use is "first come, first served". (e.g., The first shooter arriving on a range, as applicable, may shoot at their desired range and controls the movement on that range. All others are welcome to shoot at the same distances, but may not change distance preferences until the first shooter(s) relinquish that range).
- Gate is to be closed and locked at all times unless there is a guard present. If the gate is open upon arrival, or departure the member shall lock it.
- All shooting is to be done to the East and/or into any Designated impact berms and backstops. It is conducted on any of the following ranges: Ranges 1, 2, 3, 4, 5, 6, and 7.
- The member's card or key is theirs and theirs alone - it shall not be loaned to ANYONE - NO EXCEPTIONS!
- Range flags or "in use indicators" will be flown and/or used at all times during live fire. All flags and/or indicators shall be lowered/stored upon the completion of range use by the last shooter.
- All materials brought to the range must be taken with the shooter when finished. "You bring it, YOU take it". Leaving targets, stands, hulls, etc. for others is not permitted. Personal yard waste, lubricants, garbage, etc is not to be disposed of on club grounds. The burning of trash or lumber is not permitted.
- Work hours are the responsibility of the Associate member and it shall be their responsibility to seek hours. Such opportunities may be in the form of organized matches, work parties, grounds maintenance, etc. Contact the various committee chairs for ideas or scheduled events. Record hours as instructed during your orientation, stating the name, date, member number, type of work done and hours worked. Keep a copy for yourself. (Organized events typically use a group sign-in sheet.)
- Any member may request proof of membership from another member (card/key, badge or ID card). Report infractions of Club rules or safety protocol to the grievance committee, noting the member, time, date and infraction.
- The range is closed to general shooting during the Deer Sight days, the annual club picnic (no pets allowed) or when deemed necessary by the Board for range maintenance. Range maintenance always takes precedence and temporary closures may occur on individual ranges without advanced notice.

Sponsor's Voucher: To the best of my ability, I have covered the above with the applicant and he/she understands his/her obligations and promises to fulfill them.
